What Has Changed in

The History Behind California's Primary Election System

Closed Primary System

A "closed" primary system governed California's primary elections until 1996. In a closed primary, persons who are registered members of a political party may only vote the ballot of that political party.

Open Primary System

The provisions of the "closed" primary system were amended by the adoption of Proposition 198, an initiative statute approved by the voters at the March 26, 1996 primary election. Proposition 198 changed the closed primary system to what is known as a "blanket" or "open" primary, in which all registered voters may vote for any candidate, regardless of political affiliation and without a declaration of political faith or allegiance.

On June 26, 2000, the United States Supreme Court issued a decision in *California Democratic Party, et. al. v. Jones*, stating that California's "open" primary system, established by Proposition 198, was unconstitutional because it violated a political party's First Amendment right of association. Therefore, the Supreme Court overturned Proposition 198.

Modified Closed Primary System

California currently has a "modified" closed primary system. SB 28 (Ch. 898, Stats. 2000), relating to primary elections, was chaptered on September 29, 2000 and took effect on January 1, 2001. SB 28 implemented a "modified" closed primary system that permits unaffiliated or nonpartisan (decline to state) voters to

participate in a primary election if authorized by an individual party's rule and duly noticed by the Secretary of State (Ch. 898, Stats. 2000).

"Nonpartisan" Voters — Voting in the Upcoming Primary

If you are a voter who has declined to state an affiliation with a qualified political party, you may be able to vote for a candidate of a specific party in the upcoming March 2, 2004 primary election. You may request the ballot of a political party if authorized by the party's rules and duly noticed by the Secretary of State.

If you do not request such a ballot, you will be given a nonpartisan ballot, containing only the names of all candidates for nonpartisan offices and measures to be voted upon at the primary election.

List of Political Parties that have Adopted Party Rules in Accordance with SB 28 for the March 2, 2004 Primary Election

On September 30, 2003, the American Independent Party notified the Secretary of State that it has adopted a rule permitting unaffiliated voters to request an American Independent ballot in the March 2, 2004 Primary Election.

This rule does not apply to Democratic county central committees.

56. STATE BUDGET, RELATED TAXES, AND RESERVE. VOTING REQUIREMENTS. PENALTIES. INITIATIVE CONSTITUTIONAL AMENDMENT AND STATUTE. Permits enactment of budget and budget-related tax/appropriation bills with 55% vote. Legislature, Governor forfeit compensation each day budget is late. Fiscal Impact: Varying impacts from lowering the vote requirement for budget-related measures-including changes in spending and potentially significant increases in state tax revenues in some years. Impacts would depend on the composition and actions of future Legislatures.

56. PRESUPUESTO DEL ESTADO, IMPUESTOS RELACIONADOS Y RESERVAS. REQUISITOS DE VOTACIÓN. SANCIONES. ENMIENDA CONSTITUCIONAL POR INICIATIVA Y LEY. Permite la aprobación de leyes de presupuesto y de impuestos relacionados con el presupuesto/asignaciones presupuestarias mediante el 55% de los votos. La renuncia de la Legislatura y del Gobernador a sus salarios y presupuestos diarios es tardía. Impacto fiscal: Diversos impactos debido a la reducción de la cantidad de votos requeridos para las medidas presupuestarias-incluso modificaciones en el gasto y potencialmente aumentos significativos en la recaudación impositiva en algunos años. Los impactos fiscales dependerían principalmente de la composición y medidas adoptadas por las Legislaturas futuras.

57. THE ECONOMIC RECOVER BOND ACT. One time bond of up to fifteen billion dollars (\$15,000,000,000) to retire deficit. Fiscal Impact: One-time increase, compared to previously authorized bond, of up to \$4 billion to reduce the state's budget shortfall and annual debt-service savings over the next few years. These effects would be offset by higher annual debt-service costs in subsequent years due to this bond's longer term and larger size.

57. LEY DEL BONO DE RECUPERACIÓN ECONÓMICA. Un bono por única vez de hasta quince mil millones de dólares (\$15,000,000,000) para eliminar el déficit. Impacto fiscal: Incremento por única vez, en comparación con el bono aprobado anteriormente, de hasta \$4 mil millones para reducir el déficit presupuestario del estado y ahorros en el servicio anual de la deuda durante los próximos años. Estos efectos se compensarían con costos más altos del servicio anual de la deuda en los años subsiguientes debido a que este bono tiene un plazo y un tamaño mayores.

☐ YES, SÍ

☐ NO, NO

58. THE CALIFORNIA BALANCED BUDGET ACT. Requires the enactment of a balanced budget, addresses fiscal emergencies, and establishes a budget reserve. Fiscal Impact: Net state fiscal effects unknown and will vary by year, depending in part on actions of future legislatures. Reserve provisions may smooth state spending, with reductions during economic expansions and increases during downturns. Provisions requiring balanced budgets and limiting deficit borrowing could result in more immediate actions to correct budgetary shortfalls.

58. LEY DEL PRESUPUESTO EQUILIBRADO DE CALIFORNIA. Requiere la sanción de un presupuesto equilibrado, aborda las emergencias fiscales y establece una reserva presupuestaria. Impacto fiscal: Se desconocen los efectos fiscales netos para el estado, los cuales variarán cada año dependiendo, en parte, de las medidas de las futuras legislaturas. Las disposiciones en materia de reserva pueden morigerar el gasto del estado, con reducciones en las épocas de expansión económica y aumentos en las épocas de depresión. Las disposiciones que requieren presupuestos nivelados y que limitan la toma de empréstitos en épocas de déficit podrían dar origen a medidas más inmediatas para corregir los déficits presupuestarios.

As a parent, I believe that our families deserve better than the machine politicians' latest front person. As a former U.S. Marine, a graduate of Harvard's Kennedy School of Government, and a small business owner, I know that we won't get anything better until we hold our politicians accountable. The machine politicians' failures are not a matter of serious debate – Forbes named Fresno the worst city in America for business, and our high school students are marching to protest dirty schools with more rats than textbooks. Because I was born and raised in Fresno, I know that we can do better; because I held professional positions at GE and Harvard Business School, because I teach in our community college and worked with youth boxing, because I studied finance and urban development at Harvard, I know that we will do better once we start working together. If we are to win tomorrow, we must struggle today. If you want change, I am your man. I served as Council President in 2001 and 2002. With the current fiscal crisis in our State, we need elected officials with proven experience who can make the tough decisions necessary to keep our community moving forward.</p> <p>This County needs leadership that will not allow us to go back to the days of releasing hundreds of felons from our jail due to lack of space and cutting positions in the District Attorney's office. We cannot cut elder abuse and domestic violence units. We must do better than that.</p> <p>As your next Supervisor I will: Reduce unnecessary spending in County Government; Maintain a strong public safety and court system; Seek parent input in restructuring mental health services for children in crisis; Create jobs and improve air quality; Establish a neighborhood code enforcement unit to eliminate graffiti and abandoned vehicles; Repave streets and repair sidewalks in our older neighborhoods.</p> <p>Like you, I want a bright future for my children and yours.</p> <p>Join the California Nurses Association in supporting me for County Supervisor.</p>

As a society, we are often fearful, anxious and uncomfortable as our old ways of doing business break down. Our expectations of government are unmet and I stand for a change in leadership.</p> <p>As County Supervisor I will cross any boundary to collaborate with other levels of government, unions, community groups and others to achieve our common goals regarding job growth, air quality, land use, etc. I will balance the needs of all involved for the best possible result. I place community interests above any interest group. I will continually re-focus attention on the desired outcome and work tirelessly to break down roadblocks.</p> <p>Yes, I am new to politics. As a successful small business owner, I have experience in creative problem solving. We need creative problem solving now. I owned and operated an advertising agency for 12 years, managing many large local clients. I currently co-manage an automotive repair shop and am a coach for women in areas of leadership. Born and raised in Fresno, I have a deep affection for the future of Fresno County. While attending San Joaquin Memorial, I worked in my uncle's market, Hernandez Grocery. As part owner of Lil' General Store, I made a payroll, worked with government agencies and paid taxes.</p> <p>While serving on the Fresno City Council for 8 years and representing southeast Fresno, I removed 8,000 inoperable vehicles from our neighborhoods, removed and rebuilt the Eastgate Shopping Center that created over 250 jobs, secured \$1.5 million dollars for Fresno's first Senior Resource Center, established the first full-time police Elder Abuse Unit protecting seniors and built Fresno's first Regional Soccer Park for kids. That is why I continue to earn endorsements from community leaders like retired Sheriff's Steve Magarian and Hal McKinney and Council President Tom Boyajian.</p> <p>As your Supervisor, I will continue to remove blight from our neighborhoods, work regionally to clean our air, be a voice for local businesses and make sure our public safety is the best it can be.</p> <p>Please consider my proven record.</p> <p>Thank you.</p>

Fiscal Impact: Varying impacts from lowering the vote requirement for budget-related measures-including changes in spending and potentially significant increases in state tax revenues in some years. Impacts would depend on the composition and actions of future Legislatures.

56. PRESUPUESTO DEL ESTADO, IMPUESTOS RELACIONADOS Y RESERVAS. REQUISITOS DE VOTACIÓN. SANCIONES. ENMIENDA CONSTITUCIONAL POR INICIATIVA Y LEY. Permite la aprobación de leyes de presupuesto y de impuestos relacionados con el presupuesto/asignaciones presupuestarias mediante el 55% de los votos. La renuncia de la Legislatura y del Gobernador a sus salarios y presupuestos diarios es tardía. Impacto fiscal: Diversos impactos debido a la reducción de la cantidad de votos requeridos para las medidas presupuestarias-incluso modificaciones en el gasto y potencialmente aumentos significativos en la recaudación impositiva en algunos años. Los impactos fiscales dependerían principalmente de la composición y medidas adoptadas por las Legislaturas futuras.

57. THE ECONOMIC RECOVER BOND ACT. One time bond of up to fifteen billion dollars (\$15,000,000,000) to retire deficit. Fiscal Impact: One-time increase, compared to previously authorized bond, of up to \$4 billion to reduce the state's budget shortfall and annual debt-service savings over the next few years. These effects would be offset by higher annual debt-service costs in subsequent years due to this bond's longer term and larger size.

57. LEY DEL BONO DE RECUPERACIÓN ECONÓMICA. Un bono por única vez de hasta quince mil millones de dólares (\$15,000,000,000) para eliminar el déficit. Impacto fiscal: Incremento por única vez, en comparación con el bono aprobado anteriormente, de hasta \$4 mil millones para reducir el déficit presupuestario del estado y ahorros en el servicio anual de la deuda durante los próximos años. Estos efectos se compensarían con costos más altos del servicio anual de la deuda en los años subsiguientes debido a que este bono tiene un plazo y un tamaño mayores.

58. THE CALIFORNIA BALANCED BUDGET ACT. Requires the enactment of a balanced budget, addresses fiscal emergencies, and establishes a budget reserve. Fiscal Impact: Net state fiscal effects unknown and will vary by year, depending in part on actions of future legislatures. Reserve provisions may smooth state spending, with reductions during economic expansions and increases during downturns. Provisions requiring balanced budgets and limiting deficit borrowing could result in more immediate actions to correct budgetary shortfalls.

58. LEY DEL PRESUPUESTO EQUILIBRADO DE CALIFORNIA. Requiere la sanción de un presupuesto equilibrado, aborda las emergencias fiscales y establece una reserva presupuestaria. Impacto fiscal: Se desconocen los efectos fiscales netos para el estado, los cuales variarán cada año dependiendo, en parte, de las medidas de las futuras legislaturas. Las disposiciones en materia de reserva pueden morigerar el gasto del estado, con reducciones en las épocas de expansión económica y aumentos en las épocas de depresión. Las disposiciones que requieren presupuestos nivelados y que limitan la toma de empréstitos en épocas de déficit podrían dar origen a medidas más inmediatas para corregir los déficits presupuestarios.

**STATEMENT OF CANDIDATE FOR
MEMBER OF STATE ASSEMBLY, 31ST DISTRICT**

STANLEY R. WARKENTIN

From humble beginnings, I was born the eleventh child of twelve children to parents who worked hard to teach my siblings and me strong work ethics. I am here to do the job you would like to do yourselves. I will fight to balance the California budget during my term and not pass this job on to the "unborn children". Legislation that is passed will go into affect while I am in office and should not be postponed, until years later. That is not acceptable. This generation of legislators should take responsibility for the present and not "pass the buck" to legislators who have not even been elected. The Assembly and State Senate have passed approximately 1,100 bills, laws, rules and regulations each year. So many laws have been written making the innocent guilty of "something". Manufactures, truck drivers, farmers and others have to obey OSHA, EPA and other agencies. I have talked with many farmers who were forced to harvest their crops, so as not to lose as much money, so they could linger for one more year. Two of the problems that farmers face is over-production and worse, importation. We have voted for taxes (i.e. crv, cigarettes and other items) and the money is rarely distributed by legislators to causes originally promised, but rather placed in the general fund. If you are tired of being deceived and disillusioned, Vote Stan "The Truck Stop Man" Warkentin, for common sense. Show your power and conscience, VOTE!!

<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF BOARD OF SUPERVISORS, DISTRICT NO. 3</p> <p>JOSE GUADALUPE CAMACHO</p> <p>Occupation: Businessman/ Teacher FCC</p> <p>The same career politicians who ruined our schools and devastated our economy want you to reward their pals with a promotion. As a parent, I believe that our families deserve better than the machine politicians' latest front person. As a former U.S. Marine, a graduate of Harvard's Kennedy School of Government, and a small business owner, I know that we won't get anything better until we hold our politicians accountable. The machine politicians' failures are not a matter of serious debate – Forbes named Fresno the worst city in America for business, and our high school students are marching to protest dirty schools with more rats than textbooks. Because I was born and raised in Fresno, I know that we can do better; because I held professional positions at GE and Harvard Business School, because I teach in our community college and worked with youth boxing, because I studied finance and urban development at Harvard, I know that we will do better once we start working together. If we are to win tomorrow, we must struggle today. If you want change, I am your man. Please vote Camacho for District 3 Supervisor.</p>	<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF BOARD OF SUPERVISORS, DISTRICT NO. 3</p> <p>HENRY PEREA</p> <p>Occupation: Personnel Administrator/Educator</p> <p>Having served on the City Council and the Board of Education, I have a proven record of strong independent leadership and accomplishment. I served as Council President in 2001 and 2002. With the current fiscal crisis in our State, we need elected officials with proven experience who can make the tough decisions necessary to keep our community moving forward.</p> <p>This County needs leadership that will not allow us to go back to the days of releasing hundreds of felons from our jail due to lack of space and cutting positions in the District Attorney's office. We cannot cut elder abuse and domestic violence units. We must do better than that.</p> <p>As your next Supervisor I will: Reduce unnecessary spending in County Government; Maintain a strong public safety and court system; Seek parent input in restructuring mental health services for children in crisis; Create jobs and improve air quality; Establish a neighborhood code enforcement unit to eliminate graffiti and abandoned vehicles; Repave streets and repair sidewalks in our older neighborhoods.</p> <p>Like you, I want a bright future for my children and yours.</p> <p>Join the California Nurses Association in supporting me for County Supervisor.</p>

As a society, we are often fearful, anxious and uncomfortable as our old ways of doing business break down. Our expectations of government are unmet and I stand for a change in leadership.</p> <p>As County Supervisor I will cross any boundary to collaborate with other levels of government, unions, community groups and others to achieve our common goals regarding job growth, air quality, land use, etc. I will balance the needs of all involved for the best possible result. I place community interests above any interest group. I will continually re-focus attention on the desired outcome and work tirelessly to break down roadblocks.</p> <p>Yes, I am new to politics. As a successful small business owner, I have experience in creative problem solving. We need creative problem solving now. I owned and operated an advertising agency for 12 years, managing many large local clients. I currently co-manage an automotive repair shop and am a coach for women in areas of leadership. I have been married for 16 years and have pets but no children.</p> <p>I would appreciate your vote for Supervisor.</p>	<p style="text-align: center;">STATEMENT OF CANDIDATE FOR MEMBER OF BOARD OF SUPERVISORS, DISTRICT NO. 3</p> <p>SAL QUINTERO</p> <p>As the <u>only</u> candidate for Supervisor who has business and government experience, I will bring a proven record to the Board of Supervisors. Born and raised in Fresno, I have a deep affection for the future of Fresno County. While attending San Joaquin Memorial, I worked in my uncle's market, Hernandez Grocery. As part owner of Lil' General Store, I made a payroll, worked with government agencies and paid taxes.</p> <p>While serving on the Fresno City Council for 8 years and representing southeast Fresno, I removed 8,000 inoperable vehicles from our neighborhoods, removed and rebuilt the Eastgate Shopping Center that created over 250 jobs, secured \$1.5 million dollars for Fresno's first Senior Resource Center, established the first full-time police Elder Abuse Unit protecting seniors and built Fresno's first Regional Soccer Park for kids. That is why I continue to earn endorsements from community leaders like retired Sheriff's Steve Magarian and Hal McKinney and Council President Tom Boyajian.</p> <p>As your Supervisor, I will continue to remove blight from our neighborhoods, work regionally to clean our air, be a voice for local businesses and make sure our public safety is the best it can be.</p> <p>Please consider my proven record.</p> <p>Thank you.</p>

What Has Changed in

The History Behind California's Primary Election System

Closed Primary System

A "closed" primary system governed California's primary elections until 1996. In a closed primary, persons who are registered members of a political party may only vote the ballot of that political party.

Open Primary System

The provisions of the "closed" primary system were amended by the adoption of Proposition 198, an initiative statute approved by the voters at the March 26, 1996 primary election. Proposition 198 changed the closed primary system to what is known as a "blanket" or "open" primary, in which all registered voters may vote for any candidate, regardless of political affiliation and without a declaration of political faith or allegiance.

On June 26, 2000, the United States Supreme Court issued a decision in *California Democratic Party, et. al. v. Jones*, stating that California's "open" primary system, established by Proposition 198, was unconstitutional because it violated a political party's First Amendment right of association. Therefore, the Supreme Court overturned Proposition 198.

Modified Closed Primary System

California currently has a "modified" closed primary system. SB 28 (Ch. 898, Stats. 2000), relating to primary elections, was chaptered on September 29, 2000 and took effect on January 1, 2001. SB 28 implemented a "modified" closed primary system that permits unaffiliated or nonpartisan (decline to state) voters to

participate in a primary election if authorized by an individual party's rule and duly noticed by the Secretary of State (Ch. 898, Stats. 2000).

"Nonpartisan" Voters — Voting in the Upcoming Primary

If you are a voter who has declined to state an affiliation with a qualified political party, you may be able to vote for a candidate of a specific party in the upcoming March 2, 2004 primary election. You may request the ballot of a political party if authorized by the party's rules and duly noticed by the Secretary of State.

If you do not request such a ballot, you will be given a nonpartisan ballot, containing only the names of all candidates for nonpartisan offices and measures to be voted upon at the primary election.

List of Political Parties that have Adopted Party Rules in Accordance with SB 28 for the March 2, 2004 Primary Election

- **American Independent Party:**

On September 30, 2003, the American Independent Party notified the Secretary of State that it has adopted a rule permitting unaffiliated voters to request an American Independent ballot in the March 2, 2004 Primary Election.

- **Democratic Party:**

On October 20, 2003, the Democratic Party notified the Secretary of State that it has adopted a rule permitting unaffiliated voters to vote for Democratic candidates for President of the United States, United States Senator, Member of the United States House of Representatives, State Senator, and Member of the State Assembly at the March 2, 2004 Primary Election. This rule does not apply to Democratic county central committees.

- **Republican Party:**

On October 20, 2003, the Republican Party notified the Secretary of State that it has adopted a rule permitting unaffiliated voters to vote for Republican candidates for United States Senator, Member of the United States House of Representatives, State Senator, and Member of the State Assembly at the March 2, 2004 Primary Election. This rule does not apply to the office of President of the United States, nor to Republican county central committees.

Impacto fiscal: Se desconocen los efectos fiscales netos para el estado, los cuales variarán cada año dependiendo, en parte, de las medidas de las futuras legislaturas. Las disposiciones en materia de reserva pueden morigerar el gasto del estado, con reducciones en las épocas de expansión económica y aumentos en las épocas de depresión. Las disposiciones que requieren presupuestos nivelados y que limitan la toma de empréstitos en épocas de déficit podrían dar origen a medidas más inmediatas para corregir los déficits presupuestarios.

**STATEMENT OF CANDIDATE FOR
MEMBER OF STATE ASSEMBLY, 31ST DISTRICT**

STANLEY R. WARKENTIN

From humble beginnings, I was born the eleventh child of twelve children to parents who worked hard to teach my siblings and me strong work ethics. I am here to do the job you would like to do yourselves. I will fight to balance the California budget during my term and not pass this job on to the "unborn children". Legislation that is passed will go into affect while I am in office and should not be postponed, until years later. That is not acceptable. This generation of legislators should take responsibility for the present and not "pass the buck" to legislators who have not even been elected. The Assembly and State Senate have passed approximately 1,100 bills, laws, rules and regulations each year. So many laws have been written making the innocent guilty of "something". Manufactures, truck drivers, farmers and others have to obey OSHA, EPA and other agencies. I have talked with many farmers who were forced to harvest their crops, so as not to lose as much money, so they could linger for one more year. Two of the problems that farmers face is over-production and worse, importation. We have voted for taxes (i.e. crv, cigarettes and other items) and the money is rarely distributed by legislators to causes originally promised, but rather placed in the general fund. If you are tired of being deceived and disillusioned, Vote Stan "The Truck Stop Man" Warkentin, for common sense. Show your power and conscience, VOTE!!

**STATEMENT OF CANDIDATE FOR
MEMBER OF BOARD OF SUPERVISORS, DISTRICT NO. 3**

JOSE GUADALUPE CAMACHO

Occupation: Businessman/ Teacher FCC

The same career politicians who ruined our schools and devastated our economy want you to reward their pals with a promotion. As a parent, I believe that our families deserve better than the machine politicians' latest front person. As a former U.S. Marine, a graduate of Harvard's Kennedy School of Government, and a small business owner, I know that we won't get anything better until we hold our politicians accountable. The machine politicians' failures are not a matter of serious debate – Forbes named Fresno the worst city in America for business, and our high school students are marching to protest dirty schools with more rats than textbooks. Because I was born and raised in Fresno, I know that we can do better; because I held professional positions at GE and Harvard Business School, because I teach in our community college and worked with youth boxing, because I studied finance and urban development at Harvard, I know that we will do better once we start working together. If we are to win tomorrow, we must struggle today. If you want change, I am your man. Please vote Camacho for District 3 Supervisor.

**STATEMENT OF CANDIDATE FOR
MEMBER OF BOARD OF SUPERVISORS, DISTRICT NO. 3**

HENRY PEREA

Occupation: Personnel Administrator/Educator

Having served on the City Council and the Board of Education, I have a proven record of strong independent leadership and accomplishment. I served as Council President in 2001 and 2002. With the current fiscal crisis in our State, we need elected officials with proven experience who can make the tough decisions necessary to keep our community moving forward.

This County needs leadership that will not allow us to go back to the days of releasing hundreds of felons from our jail due to lack of space and cutting positions in the District Attorney's office. We cannot cut elder abuse and domestic violence units. We must do better than that.

As your next Supervisor I will: Reduce unnecessary spending in County Government; Maintain a strong public safety and court system; Seek parent input in restructuring mental health services for children in crisis; Create jobs and improve air quality; Establish a neighborhood code enforcement unit to eliminate graffiti and abandoned vehicles; Repave streets and repair sidewalks in our older neighborhoods.

Like you, I want a bright future for my children and yours.

Join the California Nurses Association in supporting me for County Supervisor.

**STATEMENT OF CANDIDATE FOR
MEMBER OF BOARD OF SUPERVISORS, DISTRICT NO. 3**

DEBILYN MOLINEAUX

AGE: 40

Occupation: Businesswoman, Entrepreneur, Leadership Coach

The increasing complexity of our society has left our local government stretched to the point of collapse. As a society, we are often fearful, anxious and uncomfortable as our old ways of doing business break down. Our expectations of government are unmet and I stand for a change in leadership.

As County Supervisor I will cross any boundary to collaborate with other levels of government, unions, community groups and others to achieve our common goals regarding job growth, air quality, land use, etc. I will balance the needs of all involved for the best possible result. I place community interests above any interest group. I will continually re-focus attention on the desired outcome and work tirelessly to break down roadblocks.

Yes, I am new to politics. As a successful small business owner, I have experience in creative problem solving. We need creative problem solving now. I owned and operated an advertising agency for 12 years, managing many large local clients. I currently co-manage an automotive repair shop and am a coach for women in areas of leadership. I have been married for 16 years and have pets but no children.

I would appreciate your vote for Supervisor.

**STATEMENT OF CANDIDATE FOR
MEMBER OF BOARD OF SUPERVISORS, DISTRICT NO. 3**

SAL QUINTERO

As the only candidate for Supervisor who has business and government experience, I will bring a proven record to the Board of Supervisors. Born and raised in Fresno, I have a deep affection for the future of Fresno County. While attending San Joaquin Memorial, I worked in my uncle's market, Hernandez Grocery. As part owner of Lil' General Store, I made a payroll, worked with government agencies and paid taxes.

While serving on the Fresno City Council for 8 years and representing southeast Fresno, I removed 8,000 inoperable vehicles from our neighborhoods, removed and rebuilt the Eastgate Shopping Center that created over 250 jobs, secured \$1.5 million dollars for Fresno's first Senior Resource Center, established the first full-time police Elder Abuse Unit protecting seniors and built Fresno's first Regional Soccer Park for kids. That is why I continue to earn endorsements from community leaders like retired Sheriff's Steve Magarian and Hal McKinney and Council President Tom Boyajian.

As your Supervisor, I will continue to remove blight from our neighborhoods, work regionally to clean our air, be a voice for local businesses and make sure our public safety is the best it can be.

Please consider my proven record.

Thank you.

What Has Changed in

The History Behind California's Primary Election System

Closed Primary System

A "closed" primary system governed California's primary elections until 1996. In a closed primary, persons who are registered members of a political party may only vote the ballot of that political party.

Open Primary System

The provisions of the "closed" primary system were amended by the adoption of Proposition 198, an initiative statute approved by the voters at the March 26, 1996 primary election. Proposition 198 changed the closed primary system to what is known as a "blanket" or "open" primary, in which all registered voters may vote for any candidate, regardless of political affiliation and without a declaration of political faith or allegiance.

On June 26, 2000, the United States Supreme Court issued a decision in *California Democratic Party, et. al. v. Jones*, stating that California's "open" primary system, established by Proposition 198, was unconstitutional because it violated a political party's First Amendment right of association. Therefore, the Supreme Court overturned Proposition 198.

Modified Closed Primary System

California currently has a "modified" closed primary system. SB 28 (Ch. 898, Stats. 2000), relating to primary elections, was chaptered on September 29, 2000 and took effect on January 1, 2001. SB 28 implemented a "modified" closed primary system that permits unaffiliated or nonpartisan (decline to state) voters to

participate in a primary election if authorized by an individual party's rule and duly noticed by the Secretary of State (Ch. 898, Stats. 2000).

"Nonpartisan" Voters — Voting in the Upcoming Primary

If you are a voter who has declined to state an affiliation with a qualified political party, you may be able to vote for a candidate of a specific party in the upcoming March 2, 2004 primary election. You may request the ballot of a political party if authorized by the party's rules and duly noticed by the Secretary of State.

If you do not request such a ballot, you will be given a nonpartisan ballot, containing only the names of all candidates for nonpartisan offices and measures to be voted upon at the primary election.

List of Political Parties that have Adopted Party Rules in Accordance with SB 28 for the March 2, 2004 Primary Election

- **American Independent Party:**

On September 30, 2003, the American Independent Party notified the Secretary of State that it has adopted a rule permitting unaffiliated voters to request an American Independent ballot in the March 2, 2004 Primary Election.

- **Democratic Party:**

On October 20, 2003, the Democratic Party notified the Secretary of State that it has adopted a rule permitting unaffiliated voters to vote for Democratic candidates for President of the United States, United States Senator, Member of the United States House of Representatives, State Senator, and Member of the State Assembly at the March 2, 2004 Primary Election. This rule does not apply to Democratic county central committees.

- **Republican Party:**

On October 20, 2003, the Republican Party notified the Secretary of State that it has adopted a rule permitting unaffiliated voters to vote for Republican candidates for United States Senator, Member of the United States House of Representatives, State Senator, and Member of the State Assembly at the March 2, 2004 Primary Election. This rule does not apply to the office of President of the United States, nor to Republican county central committees.

58. THE CALIFORNIA BALANCED BUDGET ACT. Requires the enactment of a balanced budget, addresses fiscal emergencies, and establishes a budget reserve. Fiscal Impact: Net state fiscal effects unknown and will vary by year, depending in part on actions of future legislatures. Reserve provisions may smooth state spending, with reductions during economic expansions and increases during downturns. Provisions requiring balanced budgets and limiting deficit borrowing could result in more immediate actions to correct budgetary shortfalls.

58. LEY DEL PRESUPUESTO EQUILIBRADO DE CALIFORNIA. Requiere la sanción de un presupuesto equilibrado, aborda las emergencias fiscales y establece una reserva presupuestaria. Impacto fiscal: Se desconocen los efectos fiscales netos para el estado, los cuales variarán cada año dependiendo, en parte, de las medidas de las futuras legislaturas. Las disposiciones en materia de reserva pueden morigerar el gasto del estado, con reducciones en las épocas de expansión económica y aumentos en las épocas de depresión. Las disposiciones que requieren presupuestos nivelados y que limitan la toma de empréstitos en épocas de déficit podrían dar origen a medidas más inmediatas para corregir los déficits presupuestarios.

This twelve billion three hundred million dollar (\$12,300,000,000) bond issue will provide funding for necessary education facilities to relieve overcrowding and to repair older schools. Funds will be targeted to areas of the greatest need and must be spent according to strict accountability measures. Funds will also be used to upgrade and build new classrooms in the California Community Colleges, the California State University, and the University of California, to provide adequate higher education facilities to accommodate the growing student enrollment. These bonds may be used only for eligible projects. Fiscal Impact: State costs of about \$24.7 billion to pay off both the principal (\$12.3 billion) and interest (\$12.4 billion) costs on the bonds. Payments of about \$823 million per year. 55. LEY DEL BONO PARA INSTALACIONES DE EDUCACIÓN PÚBLICA DESDE EL JARDÍN DE NIÑOS HASTA LA UNIVERSIDAD, DEL AÑO 2004. Esta emisión de bonos por doce mil trescientos millones de dólares (\$12,300,000,000) proporcionará el financiamiento a las instalaciones educativas necesarias para aliviar la sobrepoblación y reparar escuelas viejas. Los fondos se destinarán a las áreas con mayores necesidades y deben gastarse de acuerdo con medidas estrictas en la rendición de cuentas. Los fondos también se usarán para actualizar y construir nuevas aulas en las Universidades de la Comunidad de California, las Universidades Estatales de California y la Universidad de California, para proporcionar instalaciones adecuadas de educación superior, y así acomodar una mayor inscripción de estudiantes. Estos bonos sólo se podrán usar en proyectos elegibles. Impacto fiscal: Costos para el Estado de unos \$24.7 mil millones para pagar el capital (\$12.3 mil millones) y los intereses (\$12.4 mil millones) de los bonos. Pagos de unos \$823 millones anuales.	57. THE ECONOMIC RECOVER BOND ACT. One time bond of up to fifteen billion dollars (\$15,000,000,000) to retire deficit. Fiscal Impact: One-time increase, compared to previously authorized bond, of up to \$4 billion to reduce the state's budget shortfall and annual debt-service savings over the next few years. These effects would be offset by higher annual debt-service costs in subsequent years due to this bond's longer term and larger size. 57. LEY DEL BONO DE RECUPERACIÓN ECONÓMICA. Un bono por única vez de hasta quince mil millones de dólares (\$15,000,000,000) para eliminar el déficit. Impacto fiscal: Incremento por única vez, en comparación con el bono aprobado anteriormente, de hasta \$4 mil millones para reducir el déficit presupuestario del estado y ahorros en el servicio anual de la deuda durante los próximos años. Estos efectos se compensarían con costos más altos del servicio anual de la deuda en los años subsiguientes debido a que este bono tiene un plazo y un tamaño mayores. <input type="radio"/> YES, SÍ <input type="radio"/> NO, NO

MEMBER OF BOARD OF SUPERVISORS, DISTRICT NO. 3**

JOSE GUADALUPE CAMACHO

Occupation: Businessman/ Teacher FCC

The same career politicians who ruined our schools and devastated our economy want you to reward their pals with a promotion. As a parent, I believe that our families deserve better than the machine politicians' latest front person. As a former U.S. Marine, a graduate of Harvard's Kennedy School of Government, and a small business owner, I know that we won't get anything better until we hold our politicians accountable. The machine politicians' failures are not a matter of serious debate – Forbes named Fresno the worst city in America for business, and our high school students are marching to protest dirty schools with more rats than textbooks. Because I was born and raised in Fresno, I know that we can do better; because I held professional positions at GE and Harvard Business School, because I teach in our community college and worked with youth boxing, because I studied finance and urban development at Harvard, I know that we will do better once we start working together. If we are to win tomorrow, we must struggle today. If you want change, I am your man. Please vote Camacho for District 3 Supervisor.

HENRY PEREA

Occupation: Personnel Administrator/Educator

Having served on the City Council and the Board of Education, I have a proven record of strong independent leadership and accomplishment. I served as Council President in 2001 and 2002. With the current fiscal crisis in our State, we need elected officials with proven experience who can make the tough decisions necessary to keep our community moving forward.

This County needs leadership that will not allow us to go back to the days of releasing hundreds of felons from our jail due to lack of space and cutting positions in the District Attorney's office. We cannot cut elder abuse and domestic violence units. We must do better than that.

As your next Supervisor I will: Reduce unnecessary spending in County Government; Maintain a strong public safety and court system; Seek parent input in restructuring mental health services for children in crisis; Create jobs and improve air quality; Establish a neighborhood code enforcement unit to eliminate graffiti and abandoned vehicles; Repave streets and repair sidewalks in our older neighborhoods.

Like you, I want a bright future for my children and yours.

Join the California Nurses Association in supporting me for County Supervisor.

DEBILYN MOLINEAUX

AGE: 40

Occupation: Businesswoman, Entrepreneur, Leadership Coach

The increasing complexity of our society has left our local government stretched to the point of collapse. As a society, we are often fearful, anxious and uncomfortable as our old ways of doing business break down. Our expectations of government are unmet and I stand for a change in leadership.

As County Supervisor I will cross any boundary to collaborate with other levels of government, unions, community groups and others to achieve our common goals regarding job growth, air quality, land use, etc. I will balance the needs of all involved for the best possible result. I place community interests above any interest group. I will continually re-focus attention on the desired outcome and work tirelessly to break down roadblocks.

Yes, I am new to politics. As a successful small business owner, I have experience in creative problem solving. We need creative problem solving now. I owned and operated an advertising agency for 12 years, managing many large local clients. I currently co-manage an automotive repair shop and am a coach for women in areas of leadership. I have been married for 16 years and have pets but no children.

I would appreciate your vote for Supervisor.

**STATEMENT OF CANDIDATE FOR
MEMBER OF BOARD OF SUPERVISORS, DISTRICT NO. 3**

SAL QUINTERO

As the only candidate for Supervisor who has business and government experience, I will bring a proven record to the Board of Supervisors. Born and raised in Fresno, I have a deep affection for the future of Fresno County. While attending San Joaquin Memorial, I worked in my uncle's market, Hernandez Grocery. As part owner of Lil' General Store, I made a payroll, worked with government agencies and paid taxes.

While serving on the Fresno City Council for 8 years and representing southeast Fresno, I removed 8,000 inoperable vehicles from our neighborhoods, removed and rebuilt the Eastgate Shopping Center that created over 250 jobs, secured \$1.5 million dollars for Fresno's first Senior Resource Center, established the first full-time police Elder Abuse Unit protecting seniors and built Fresno's first Regional Soccer Park for kids. That is why I continue to earn endorsements from community leaders like retired Sheriff's Steve Magarian and Hal McKinney and Council President Tom Boyajian.

As your Supervisor, I will continue to remove blight from our neighborhoods, work regionally to clean our air, be a voice for local businesses and make sure our public safety is the best it can be.

Please consider my proven record.

Thank you.
